

The images included below, and the copyright for them are most likely owned by either the publisher or the creator of the work depicted. It is believed that the use of these scaled-down, low-resolution images to provide critical commentary on an event or of the images themselves, not solely for illustration qualifies as fair use of the copyrighted material (as provided for in section 107 of the United States copyright law).

LIST OF ART USED BY OUTLAW PRESS WITHOUT A LICENSE:

The Outlaw Press, Inc. publication in which the art is used without a license appears are on the left, the original art is on the right. The original link to Amazon's product page appears when possible (some might no longer work as the products are removed by Lulu.com by request of the art's copyright holders). Links to the artists' galleries are also included--most of which can be found at Deviant Art, Elfwood, and Epilogue Net.
